Education

Exchange Student Program <i>Philipps-University Marburg</i>	April 2025 - Present Hessen, Germany
Engineering Diploma in Software Development and Information Systems <i>Private College of Engineering and Technology, TEK-UP University</i>	September 2023 - Juin 2026 Ariana, Tunisia
Master Degree in Information Systems Management <i>Faculty of Economic Sciences and Management</i>	September 2015 - June 2018 Nabeul, Tunisia
Bachelor Degree in Computer Science Applied in Management <i>Faculty of Economic Sciences and Management</i>	September 2012 - June 2015 Nabeul, Tunisia

Experience

Tac-Tic – Ariana, Tunisia <i>Full-stack Developer Intern</i>	February 2026 – Juin 2026
• Built a financial risk monitoring platform that automatically tracks the company's data and flags early signs of financial distress. • Designed an ML risk classifier achieving 94.7% accuracy, after auditing the training data for leakage and bias. • Added an AI advisor that turns each risk assessment into explainable financial recommendations.	
Naxxum Group – Tunis, Tunisia <i>Quality Assurance Intern</i>	July 2024 – September 2024
• Implemented a Behaviour Driven Development test framework using Java, Selenium, and Cucumber. • Built a Page Object Model framework to assure code maintainability and scalability using different OOP concepts. • Integrated representatives reports to be generated after every test scenario using Extent Reports.	

Projects

PlantZ <i>Deep Learning, Flask, Node.js, Express.js, React, PostgreSQL, Docker, Kubernetes</i>
• Collaborated in building an application that recognizes plant leaves from images and predicts their health status. • Trained a Deep Learning model in Kaggle with CNN algorithm to classify images from a large dataset. • Implemented a CI/CD environment to develop, test, build, and deploy the application

Technical Skills

Programming Languages: Java, SQL, JavaScript, Python
Technologies: Angular, React, Spring Boot, Django, Node.js, Azure, AWS, Docker, Kubernetes, Terraform, Ansible
Concepts: Cloud Engineering, Machine Learning, DevOps, OOP, UX/UI, BI, Scrum
Languages: Arabic (Native), English (C1 IELTS Academic), French (B2), German (B1)

Certifications

- AWS SAA-C03 Solution Architect Associate.
- AZ-900 Microsoft Certified: Azure Fundamentals.
- AI-900 Microsoft Certified: Azure Artificial Intelligence Fundamentals.
